LIFECHARTER COMMAND SUITE™ · PRESENTS

Take the Command Seat Your Workbook

A 3-Day Live Workshop

“You can’t command what you refuse to look at.”

HOW TO USE THIS WORKBOOK

- Print it and write by hand, or open it on a tablet or computer and type straight into the boxes.
- Each day has its own pages: The Inner Command, your live builds, then your homework pages and Win Wall line.
- Bring your real business, exactly as it is. The honesty is where the value is.
- Everything you build here is yours to keep.

YOUR GUIDE FOR THESE THREE DAYS

About Your Alignment Architect

MEET YOUR GUIDE

AmiLynne “Babs” Carroll

Chief Travel Partner & Alignment Architect

Travel Partner for the inner journey. Alignment Architect for your life’s work. Babs helps people hear what is true for them and design a life that reflects it, and coaches founders and leaders to align their mission, brand, money and daily work, from Truth rather than fear.

Entrepreneur | Executive coach | TEDx speaker | Published author | Spiritual & Trauma Practitioner

HER STORY

Clarified, not silenced.

Babs is the Chief Travel Partner and Alignment Architect behind LifeCharter and LifeCharter Command Suite. Her work lives at the intersection of spiritual depth and practical action, helping people quiet the noise, hear what is true for them, and create the structure to live from that clarity.

In October 2022, a stroke left Babs quadriplegic, profoundly changing the way she moves through and experiences the world. It also deepened her understanding of surrender, resilience, identity, and grace. The experience did not silence her voice. It clarified it. Today, she continues to coach, create, write, lead, and speak with her service dog, Beau, faithfully beside her.

At the heart of her work is a simple conviction: clarity creates freedom. When we become clear about who we are, what matters, and what is ours to do, we can begin building a life that reflects it, one aligned action at a time.

WHY THIS WORK MATTERS TO ME

I have seen what happens when a growing business depends too heavily on one person to remember, decide, translate, and rescue. Founders are often not lacking vision. They are carrying too much of the operating system inside themselves. I created this work because founder-led should not have to mean founder-held.

01 **Clarity before acceleration**

02 **Ownership before delegation**

03 **Rhythm before reminders**

HOW THIS WORKS

Your Three Days in the Command Seat

You will not sit and take notes. You will build your real business, live, one page at a time. Some pages are built in the room and some are homework. Print this and write by hand, or type straight into the boxes on a tablet or computer. Everything you make here is yours to keep.

DAY	THEME	DIMENSIONS	YOU LEAVE WITH
1	**Take the Seat**	Vision, Leadership, Sustainability	Scorecard, True North, Capacity Map
2	**Be Chosen, Earn the Yes**	Product, Marketing, Sales, Client Experience	Offer, Ideal Client, Money List, Client Moments
3	**Run It, Own It, Commit**	Operations, Systems, Team, Finance, Legal	Bottleneck Scan, Stack Math, Real Numbers, 90-Day Plan

EVERY SESSION RUNS THE SAME WAY

Win Wall, then The Inner Command for your mindset. Then The Principle, Build It Live, an Executive Coaching Hot Seat, See It in the Suite, and your homework.

THE ONE REAL ISSUE I AM BRINGING TO THIS WORKSHOP

MY COMMAND POD

Your pod is three people who compare notes in breakout rooms and hold each other to the homework.

Bring your real business, exactly as it is.

The Inner Command

THE BELIEF

"If I stop, everything stops."

THE TRUTH

You built a job that needs you. You can build a business that needs your leadership instead.

THE PRACTICE

The Head Up, Wings Out reset. Two minutes, eyes closed. Who am I before today's circumstances tell me who I am? What lift is available right now? We open all three days this way.

WHAT CAME UP IN THE RESET

THE COACH'S QUESTION

"What have you been avoiding looking at, and what does it cost you to keep avoiding it?"

DAY 1 · BUILD 1 · ABOUT 12 MINUTES

The 12-Dimension Scorecard

Score each area from 1 to 5. A 1 means unclear or reactive. A 5 means visible, owned, rhythmic, and improving. Do not overthink it: your first instinct is the signal. Then check your two lowest, and star your highest.

	SCORE	LOW 2	★ TOP		SCORE	LOW 2	★ TOP
Marketing		☐	☐	**Leadership**		☐	☐
Sales		☐	☐	**Vision**		☐	☐
Operations		☐	☐	**Product**		☐	☐
Finance		☐	☐	**Client Experience**		☐	☐
Team		☐	☐	**Legal**		☐	☐
Systems		☐	☐	**Sustainability**		☐	☐

> Founders overrate the parts of the business they enjoy and quietly skip past the parts they do not. Not out of dishonesty: out of self-protection. A real map beats a felt sense, so score honestly.

WHICH OF MY TWO LOWEST DID I WANT TO SKIP PAST WHILE I WAS SCORING? SIT WITH IT. DO NOT FIX IT.

You can't command what you refuse to look at.

DAY 1 · BUILD 2 · ABOUT 8 MINUTES

Name Your True North

Your True North is one sentence, one destination, for the next 90 days. It is the heading that tells every decision where to point. Write it rough. A rough sentence you see daily beats a perfect one you never read.

For the next 90 days, this business is about

THE TEST

Read it back. Does it tell you what to say no to?

☐ Yes, it makes my next ten decisions easier.

WHAT IT MAKES ME SAY NO TO

WHERE MY EYES WILL LAND ON IT EVERY MORNING

> Command Pods: each person reads their True North aloud. The other two ask, “What does this make you say no to?”

Clarity isn’t knowing everything. It’s knowing what matters most.

DAY 1 · BUILD 3 · ABOUT 10 MINUTES

Your Capacity Map

List your real week, not your ideal one. Mark each block. Capacity is an asset, so protect it like cash.

WHAT FILLS MY WEEK	HOURS	GIVES	DRAINS	ONLY I DO THIS

WHAT THIS MAP TELLS ME

MY THREE COMMAND HOURS A WEEK, FOR STRATEGY ONLY

More glide, less flapping.

Homework and Win Wall

BEFORE TOMORROW

- [ ] Ask one person who knows your business well to score your two lowest dimensions.
- [ ] Put your three Command Hours on your calendar.
- [ ] Share your True North with your Command Pod.

THE TRUEST THING I SAW ABOUT MY BUSINESS TODAY

WHAT THE PERSON I ASKED SCORED ME, AND WHAT SURPRISED ME

MY WIN WALL LINE: WHAT I WILL SHARE AT THE START OF THE NEXT SESSION

> In the Suite: your score comes from your assessments and the work you actually do, and your coach reads the same number.

The Inner Command

THE BELIEF

"If I get specific, I'll lose people. If they say no, it means something about me."

THE TRUTH

Hiding feels safe and costs you the people you came to serve. An invitation is service. You are offering a door.

THE PRACTICE

Say your offer aloud, on mute, three times, until your voice stops apologizing. Then write the names of people you never asked because you answered for them.

WHAT I NOTICED IN MY VOICE, AND THE PEOPLE I ANSWERED FOR

THE COACH'S QUESTION

"Who have you decided no for?"

DAY 2 · BUILD 1 · ABOUT 8 MINUTES

Your Offer Statement

Sell one clear transformation to one clear person. People buy the outcome, and a confused buyer does not buy.

WHO IT IS FOR

THE TRANSFORMATION: WHERE THEY ARE NOW, AND WHERE THEY WILL BE

WHY IT IS WORTH IT

NOW SAY IT IN ONE LINE

I'm the _____

for _____

who want _____

> Command Pods: read your line aloud. The pod says what they heard you sell. If it does not match, rewrite it.

DAY 2 · BUILD 2 · ABOUT 7 MINUTES

Your Ideal Client Page

Marketing is how the right people find, trust and choose you. Picture one real person you loved working with, and write about them.

WHO THEY ARE

WHAT KEEPS THEM UP AT NIGHT

WHAT THEY HAVE ALREADY TRIED

MY RED FLAGS: WHO THIS IS NOT FOR

THE ONE OR TWO PLACES THEY ACTUALLY SPEND THEIR TIME

DAY 2 · BUILD 3 · ABOUT 10 MINUTES

The Five-Person Money List

Five warm people: past clients, past “maybes,” referrals. Write one honest message for each. Send the first one live, during the session.

PERSON 1 | **WHO THEY ARE TO ME**

Sent
Replied

PERSON 2 | **WHO THEY ARE TO ME**

Sent
Replied

PERSON 3 | **WHO THEY ARE TO ME**

Sent
Replied

PERSON 4 | **WHO THEY ARE TO ME**

Sent
Replied

PERSON 5 | **WHO THEY ARE TO ME**

Sent
Replied

> Command Pods: read your message aloud. The pod removes every apology.

DAY 2 · BUILD 4 · ABOUT 5 MINUTES

Your Client Moments Map

Your best marketing is the first 30 days after someone buys. Design three moments, so that the experience no longer depends on you remembering.

Moment 1 · How I welcome them

What do they receive, from whom, and when? How do they know they made the right decision?

Moment 2 · How I check in at 30 days

What do I ask? What do I do with the answer?

Moment 3 · How and when I ask for a referral

At what moment have they felt the result? What exactly do I say?

THE ONE MOMENT I WILL ADD THIS WEEK

DAY 2 · HOMEWORK

Your Truth Post

Write one post that names the person, the problem and what you believe. Your voice is the part nobody can copy. Publish it tonight.

THE PERSON I AM TALKING TO

THE PROBLEM THEY ARE LIVING WITH

WHAT I BELIEVE THAT MOST PEOPLE IN MY FIELD WILL NOT SAY

MY POST, IN MY OWN WORDS

WHERE I PUBLISHED IT

- [ ] Published. I said it out loud.

DAY 2 · HOMEWORK

Your Sales Journey Map

Sales is a process, and most money is lost in the follow-up, not the pitch. Write every step from first conversation to signed client. Check the steps where people go quiet.

#	THE STEP	WHAT I DO NEXT, AND WHEN	QUIET
1			☐
2			☐
3			☐
4			☐
5			☐
6			☐
7			☐

MY REVENUE FRICTION: THE ONE SPOT COSTING ME THE MOST

ONE CHANGE I CAN MAKE TO THAT SPOT THIS WEEK

Homework and Win Wall

BEFORE TOMORROW

- [ ] Send the other four messages.
- [ ] Publish your Truth Post.
- [ ] Finish your Sales Journey Map.

THE TRUEST THING I SAW ABOUT MY BUSINESS TODAY

THE REPLY OR CONVERSATION THAT SURPRISED ME

MY WIN WALL LINE: WHAT I WILL SHARE AT THE START OF THE NEXT SESSION

> In the Suite: your offer and ideal client feed your Marketing and Sales Plans, and the sale, signature, payment and 30-day check-in live on one contact record.

The Inner Command

THE BELIEF

"Nobody does it like me. I'll look at the numbers when things are better."

THE TRUTH

Control and avoidance are the same fear in two outfits. The number is not a verdict, it is information, and ownership comes before delegation.

THE PRACTICE

Finish the sentence below. Then the Head Up, Wings Out reset one last time.

THE NUMBER I HAVE BEEN AFRAID TO LOOK AT IS

THE COACH'S QUESTION

"What will you do in the next seven days, whether or not you feel ready?"

DAY 3 · BUILD 1 · ABOUT 5 MINUTES

The 5-Minute Bottleneck Scan

Take one thing that keeps getting stuck and map it. One rule. Do not try to solve your whole business in five minutes. Turn one repeated issue into one visible rule.

1 WAITING POINT
Where does it pause? Where does it sit and wait?

2 OWNER
Who decides? If the honest answer is “me,” write “me.”

3 MISSING SIGNAL
What should be visible that is not visible today?

4 RULE
What rule, if it existed, would stop this from coming back?

More effort speeds up a broken system. Architecture changes how the system moves.

MY ONE VISIBLE DECISION RULE

DAY 3 · BUILD 2 · ABOUT 5 MINUTES

Stack Math

List every subscription you pay for. Pull up your card statement if you need it. Most people have never seen this number.

TOOL	WHAT I USE IT FOR	MONTHLY COST

Total per month	
Times 12: total per year	

WHAT I NOTICE ABOUT THIS NUMBER

DAY 3 · BUILD 3 · ABOUT 8 MINUTES

Your Real Numbers Page

Know four numbers every month. Last month's real numbers go here, with no shame and no rounding up.

INCOME	EXPENSES	NET	WHAT I PAID MYSELF

WHAT TAXES I HAVE SET ASIDE SO FAR

KNOWN BILLS, NEXT 90 DAYS

BILL	AMOUNT	DUE

WHAT THESE NUMBERS ARE TELLING ME

DAY 3 · HOMEWORK

Your Decision Thresholds

Clear decisions are what make delegation possible, whether to a person or an assistant. Even a team of one has roles. Write the decisions that belong in each color.

GREEN · Team decides

Example: a standard client change within scope.

YELLOW · Team recommends, you confirm

Example: a discount, or a change to a promised date.

RED · You decide

Example: a new offer, a price change, a hire.

THE ONE GREEN DECISION I WILL HAND OFF THIS WEEK

DAY 3 · HOMEWORK

Protect Your Business Check

Protection is cheapest before you need it. Mark where you stand on each one.

ITEM	HAVE	NEED	N/A
Business entity formed	☐	☐	☐
Separate business bank account	☐	☐	☐
Client agreement	☐	☐	☐
Contractor agreements	☐	☐	☐

Access and succession plan: who could run things if you could not	☐	☐	☐

THE ONE ITEM I WILL TAKE CARE OF FIRST, AND BY WHEN

WHO I WILL ASK FOR HELP

> General guidance only, not legal advice. Check anything you are unsure of with your attorney or accountant.

Homework and Win Wall

YOUR FIRST SEVEN DAYS

- [ ] Do your first weekly review using your 90-Day Command Plan.
- [ ] Set a date 90 days out to rescore yourself on the 12-Dimension Scorecard.
- [ ] Write your First SOP.
- [ ] Fill in your Decision Thresholds.
- [ ] Complete your Protect Your Business Check.
- [ ] Tell your pod your first move.

THE TRUEST THING I SAW ABOUT MY BUSINESS TODAY

WHAT I AM MOST PROUD OF FROM THESE THREE DAYS

MY WIN WALL LINE: THE BIGGEST WIN OF THESE THREE DAYS

> In the Suite: your plan becomes goals, tasks and a weekly review, and your coach sees the same numbers you do.
